

Blessing for Divine Health

Proverbs 18:21 Death and life are in the power of the tongue, and those who love it will eat its fruit.

Proclaim this over your body!

May God our Healer quicken our mortal bodies and bring life. May the Sun of Righteousness rise with healing in His wings and may all His enemies be scattered. May the peace of God prevail in our soul and bodies. May the Prince of Peace be enthroned in our bodies and may all storms of infirmity in our bodies be still.

Healing is our bread. May God extend His healing balm on our bodies bringing wholeness. By His stripes we are healed and all sickness was overcome on the cross. Today we receive Your healing, Lord.

May God give us the grace to walk in divine health keeping the temple (body) He has given us with passion and joy. May the Lord of Hosts send His holy angels to keep and protect our bodies. May His angels be dispatched as they do the bidding of His word. His word was sent forth and all were healed.

May there be testimonies of breakthroughs in healing and may God be gloried in my household and church. Thank you God for your love towards us.

Now, freedom has come to our bodies because whom the Son sets free is free indeed. Freedom is our inheritance. We shout freedom!

Hallelujah in Jesus Name. Amen.
